

# Asbury Youth Ministry Servant Leader Council Application

The Servant Leader Council is a group made up of teens and adults that help plan and execute youth activities held throughout the year including W.N.W., lock-ins, youth led services, and many other events and activities. If you are interested in joining, please fill out an application and turn it in to the Youth Director. All council members must attend full council meetings (held every quarter) and team meetings (held prior to that team's W.N.W.). There is also a mandatory SLC training.

- **Fellowship**: brainstorm activities for the purpose of fun and getting to know others.
- **Mission / Outreach**: find/organize projects that allow the youth to be the hands and feet of Christ to our community and our world
- **Program**: setting up guest speakers, topic discussions, or video presentations to help us examine specific topics of interest as related to the Bible and how God wants us to be.
- **Worship**: plan programs that allow youth to experience and better understand what worship really means.

*If it is serving, let him serve; if it is teaching, let him teach; if it is encouraging, let him encourage; if it is contributing to the needs of others, let him give generously; if it is leadership, let him govern diligently; if it is showing mercy, let him do it cheerfully.*

~ Romans 12:7-8
